December 31, 2021

Dear Families,

I hope you have been able to spend time with your family and enjoy some much-needed rest during this holiday break. Along with meeting the academic needs of our youth participants, we continue to place the highest priority on the health and safety of all children, staff and families. In an abundance of caution due to the increase of positivity COVID-19 rates on Long Island, along with the potential of staffing impact,

Littig House After School will start on Tuesday, January 18, 2022.

We are aware of the uncertainty surrounding the current COVID-19 surge and wanted to provide you with an update. Littig House will continue to actively monitor the numbers carefully, to ensure that we continue to provide a safe, healthy environment for your children and our staff. Additionally, Nassau County will be providing at-home COVID test kits for the youth participants to be distributed and we will contact you as they are received.

Wishing you and your family a happy and safe new year! Should you have any questions, please reach us at mlittigcc@aol.com or via phone at 516-767-2010 ext. 14.

Sincerely,

Lynette Batts
Executive Director
